Spiritual Healer and world-renowned Indian Astrologer, Guruji, is on a mission to build a new Hindu Religion #ShriRahuShaniTemple in Birmingham, UK. The Temple will become a Community Hub, not just for Hindus but for followers of all peace loving faiths and organisations. The temple will be available to everyone within the local community and would also be available for special occasions such as marriages, anniversaries, birth and memorial services, along with Vedic Poojas and special prayers.

Please help support this worthwhile cause as everyone will benefit from the new temple and its facilities. Guruji believes its existence will help promote love and harmony to all its members.

I,would like to enroll myself/myself and partner as an annual/life member of the Hinduism Spiritual Welfare Organisation (HSWO). I hereby enclose my/our membership subscription and form(s). I solemnly declare that I will be loyal to HSWO. I will solemnly abide by its rules.
